Digital business solutions, consulting and IT services provider **Incfrog** welcomed 'Kit Jyo' Tingpalpong as new V.P. of Operations in North America to scale up its services in the region. With over two decades of expertise, Incfrog's mission is to further strengthen its U.S market by creating value propositions for SMEs to help them catch up with the digital shift.

"Incfrog is positioned exceedingly well for growth in North America. Our mission is to deliver class client experience, and continued success. We want our Incfrog story to be told

Incfrog has worked in the SME space across Asian countries and has helped several businesses grow and scale in the digital domain. The company also has global brands in its portfolio.

"When we talk about digital transformation of business, we actually mean transformation of the entire business model because with digital the way how most companies conduct business tends to change. Our motto is to help businesses and entrepreneurs to function online, friction-free. Kit Jyo is a valuable addition to our global leadership team, bringing his 25 years of experience in service leadership and strategy execution in Business Growth and Development, we believe he'll help carry our vision forward", said Utsav Bhanja, Global CEO (Incfrog).
